Custom Thermal Pot Tags are printed on one side in black print only. Simply select the style and tag colour you prefer, and provide your information below. For Thermal Pot Tags with UPCs, please fax or e-mail your order to us including your manufacturer's number and assigned number for each variety being printed. Copy this page as necessary to allow you the number of worksheets you need for your custom order. Fill out the information below, ONE CHARACTER OR SPACE PER BOX. Allow three weeks for delivery.

Our Styrene (SX material) is best used when the tag is exposed to environmental conditions, such as direct sunlight, for 6 months or less.

All prices on this page are subject to change January 1, 2020.
